

Pamela and Scott Woodward Conservation Scholarship

The purpose of the Pamela and Scott Woodward Conservation Scholarship is to support college students with a demonstrated commitment to natural resources conservation through their coursework and community involvement.

The Board of Directors of Tapteal Greenway decided to create this scholarship in honor of the years of service to the local community by Pamela and Scott both as teachers and as active members of Tapteal Greenway.

Our goal is to establish an endowed scholarship fund of at least \$25,000 so as to provide an annual \$1,000 scholarship.

Tapteal Greenway is a 501(c)(3) nonprofit and will provide a charitable donation receipt for all donations.

Please make checks payable to **Tapteal Greenway** and indicate **Scholarship Fund** in the note field.
